

Das Orgelbüchlein ("The Little Organ Book") by J. S. Bach

Presented by Dr Phoon Yu

Friday, August 12, 7.30pm-9.30pm

Conference Room, Methodist School of Music (MSM)

496 Upper Bukit Timah Rd

#03-20 John Wesley Centre

Singapore 678099 (near Hillview MRT)

Johann Sebastian Bach's *Das Orgelbüchlein* ("The Little Organ Book" BWV 599-644) are musical miniatures which cover the liturgical year and church events, and give incredible insight into Bach's compositional technique. The collection is a staple amongst all organists — performers/students/church musicians. The presentation will include an overview, discussion on how to approach the pieces, and short coaching moments for selected organists.

Dr Phoon Yu, organ

Organist and composer **Dr Phoon Yu** is a graduate from The Juilliard School in New York. He has performed in numerous venues in Singapore and abroad. His debut album, *SEVEN*, was released by Centaur Records in April. He was awarded the Richard F. French Doctoral Prize for his dissertation work.

Class fee:

\$18 General admission

\$12 for MSM teachers/ MSM students/ AGO members
